Ref.No. STC/Eminence School/2025

Date:- 28/06/2025

To,

The City Engineer

Pune Municipal Corporation,

Pune – 411 001.

**Subject: Confirmation for Building Safety Compliance – Eminence International School, Bakori, Tal. Haveli, Dist. Pune**

Respected Sir,

This is to confirm that the building of **Eminence International School**, located at **Bakori, Taluka Haveli, District Pune**, has been constructed and conforms to the safety standards and guidelines laid down by the **National Building Code & relevant IS codes**.

As the appointed Structural Consultant, I had checked safety aspects of the building, particularly **Block 01 (G+2 floors)**. The construction has been completed using standard engineering practices and materials, ensuring safety and stability suitable for school use.

I kindly request you to consider this as a formal confirmation from my end and proceed with the issuance of the **Building Safety Certificate** for the said premises. Inspection has been conducted on 26.06.2025 in the presence of **Mrs. Nanda Holey**, has already verified the compliance on-site.

Regards

For SaiTech Consultants
